NEWS FROM THE PRINCIPAL

Katherine Coulter

Dear Parents/Caregivers,

This week I have been in Perth at the Catholic Leader's Forum. Although these types of conferences take me away from our beautiful school, it is important for me to attend them. It is at these conferences that new technological and pedagogical initiatives are introduced, discussed and explained. This week I have been privileged to listen to Yong Zhao, an American Chinese educator. He promotes and encourages creative and enquiry based learning. He was a truly inspirational speaker. I was also lucky to hear Simon Breakspear an Australian specialist in school leadership. As an educator and advocate of life long learning it is imperative that we as adults continue to learn and try new things, it is what we ask of our children and thus we must model it as well.

I wish to thank our teachers and staff who kept the school running whilst I was away, it is a big ask to have them take on extra duties whilst people are away, but the staff at Warlawurru are always willing to go that extra bit. On Monday the 14th of August, we have a long weekend, as it is a day that the Catholic Education Office gives to everyone for their extra work they do in our schools.

Over the next few weeks we will be preparing for Warlawurru's 30th Anniversary of quality Catholic education in Halls Creek.

Please pass on the invitation to any one you know who has been involved with our school over its long history. It is going to be a wonderful celebration.

I encourage you to keep the students at school and wearing their uniform. Coming to school regularly and wearing their uniform with pride, promotes a sense of achievement and belonging. It is through regular attendance that your child will increase their learning and their achievements, academically and socially.

It is good to be back in the warmth and amongst our wonderful community at Warlawurru, have a safe and enjoyable weekend.

NEWS FROM JUNIOR PRIMARY

Andrea Pilkington

Hello from Junior Primary!

In science this week we have been looking at how our bodies move as we play on the playground equipment. We explored how push and pull forces we use can help us to move objects in ways such as sliding, bouncing and climbing. We have been talking about belonging in Religious Education. We talked about belonging to our school Warlawurru Catholic. We went on a nature walk to collect nature

items
around the
school
grounds and
we used
them to cre-
ate beautiful
collage of
our school.

NEWS FROM MIDDLE PRIMARY

Rosie Landsberg

Keeping up with exercise Healthy living!!!

The weather is warming up although we still have a bit of a chill in the breeze. It is great to see all the children enjoying their outdoor activities and keeping healthy through the exercise that Miss Marketa brings to them. Running, twirling, jumping, hopping – oh what fun to be young.

Warlawurru Catholic School promotes healthy eating and good exercise. Please try and refrain from giving the children lollies or fizzy drinks but instead water, fruit and lots of vegetables.

Mathletics

On

Tuesday the Senior Primary class played a new maths game on the iPads. The students really enjoyed the game and could challenge each other, or a child from anywhere around

the world. Some of the stu-

dents who were in the Senior Primary Class last year had already started playing mathletics with Mr Steve. It was a fun activity for the students and showed the competitive side of each individual as they challenged each other to a game.

Mathletics empowers learners to feel confident and motivated to think critically, make learning choices, seek help when they need it and reflect on their learning by being able to visually track their progress.

Larry and Peter challenging each other

Mathletics is made for Australia

We're proud of our curriculum coverage. Our team of education publishers has created a powerful range of courses aligned to the Australian Curriculum, plus other state-based content. Targeted, adaptive, engaging and designed to meet the requirements of the secondary maths curriculum – with reporting and assessments to match.

Before camera's we drew our pictures. Middle Primary with Mr Steve exploring a landscape then drawing it. Just as we did before we had camera's.

Larry, Douglas & Victor lowered our flag to half mast today.

Thinking of our classmates and teacher.

Our thoughts and prayers are with family and friends

Iona Presentation College will be visiting us again from 15th —18th August (week 5)

have anything please contact the principal.*

If you know someone who has a connection to Warlawurru please pass on

Warlawurru—Eagle Rock

Written by students at the school

26 July 2017

Verse 1

Going to the bush

Catching kangaroo

Emu too

That's what we do

Going to the bush

Collecting tucker too

Potato, tomato, bush lollies

That's what we do

Chorus

Every day I go to Warlawurru

Eagle rock, Eagle rock

30 years of teaching here

Eagle rock

Verse 2

Playing with my friends

Outside with my dog

Riding horses too

That's what we do

Playing with my friends

Listening to music

Gaming too

That's what we do

Chorus
